FAQs

Below is a list of frequently asked questions.

0. How to register:

Step 1: Click here

Step 2: Fill the form

Step 3: Pay the fees

Step 4: Wait for confirmation email 🙂

1. Do I have to buy a subscription for the said application separately?

No, your fees amount is inclusive of that subscription.

---

2. Do all the 14 classes have to be on consecutive days?

No, you can space out the classes & choose a day/time, as per your availability.

---

3. I have to avail the combo offer, but can I pay the fees in installments?

Yes, you can.

---

4. Would the classes be in study groups?

No, the classes would be online, on a one-on-one basis, with just the teacher and the student for a better learning experience. However, the course will also give you access to a design community where you can get to know other learners.

We have successfully conducted two workshops:

LEARN Creative Design Workshop I & II, which covered **fundamental principles of design, color theory, typefaces, typography** and **much more.**
